

# St Brigid's Parish Cabinteely

## July 25th 2021 - 17th Sunday in Ordinary Time

St. Oscar Romero said, "We cannot do everything, and there is a sense of liberation in realising that. This enables us to do something and to do it very well. It may be incomplete, but it is the beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest."

There were a group of ladies many years ago who made quilts. They were beautiful creations reflecting inspirational designs artfully composed from the simple scraps of fabric each woman would bring to their individual pieces. There was no plan for the finished project as each finished work became the combined creation of what each woman contributed. They abounded in vibrant colours and dazzled the beholder with intricate patterns and their myriad textures. They were so beautiful that they became coveted family treasures passed from generation to generation. Those women never realized the power of their work. Countless babies rested in the comfort of those quilts warmly nestled in the legacy of tradition they were fortunate to inherit. They adorned countless homes with their beauty and brought joy and solace to many faces.

We cannot do everything. We are not meant to. Our work in life is to contribute our individual piece, a piece that reflects the unique thumbprint I claim as my own. We only have to do small things well. Then, as St. Oscar Romero reminds us, the Lord's grace will enter and do the rest. We have to trust that this is true just as those women trusted in the eventual beauty of their final work.

Eucharistic blessings are blessings that start small and multiply. We all come to life with only a few loaves of bread and a few fish. Not any single one of us has all that it takes to transform our world. Who knows what God will do with the little we have and how many will benefit from our kindness, compassion, wisdom, courage, conviction, love, warmth, zeal, faith, and hope? That young lad never dreamed that his few leftovers would do all that they did. God shows up in unexpected ways! Where would life's adventure and fun be if it were any other way? Being able to be part of bringing God's creative, transforming, healing to the world opens us up to wonder, awe, and excitement! We can all bring our little piece to the bigger work of God that can result in being a coveted jewel passed generation to generation. This is good news indeed!

Bread and wine transform into Christ's Body and Blood and we become what we eat. Trust that

### Website of the Week: An Introduction to Thomas Merton

For the great Trappist mystic and writer, Thomas Merton, the "deeply spiritual life" meant the "experience" of God's presence and love at all times, combining that with action in everyday life. An 11-minute PBS programme provides an excellent introduction to Merton. Visit [www.NewPilgrimPath.ie](http://www.NewPilgrimPath.ie) [www.newpilgrimpath.ie](http://www.newpilgrimpath.ie).

In the late 60's Roadstone Cement Ltd bought a plot of land on Johnstown Road with the intention of building a concrete factory on the site. In response to this news a group of local women picketed the site and after some negotiation Roadstone donated the land to the residents on two conditions. Firstly it was to be used for the benefit of the whole community and secondly that it was not to be built on. In 1968 a number of local residents established *The Cabinteely Centre Ltd* as an umbrella organisation to oversee the management of the site. They then set up *The Cabinteely Cultural and Educational Centre*, which any local resident could become a member of.

This site was used for the first inauguration of the Cabinteely Boy Scouts and it was where they met for a short period of time. After this it was turned into a Pitch & Putt, for the use of the local community, which it continued to be for a number of years. For a period of time a Ladies Club, from Pottery Rd. and a Men's Club, from Sallynoggin, used Johnstown Pitch & Putt for their events. I am currently developing a project for the National Folklore Collection in University College Dublin around the history of the Johnstown Pitch & Putt site. If you have any information or memories relating to Johnstown Pitch & Putt I would love to hear from you. You can contact me at [johnstownpitch.putt@gmail.com](mailto:johnstownpitch.putt@gmail.com).
