## June 23rd 2024 - 12th Sunday in Ordinary time

### **Sleeping Jesus**

In what for the apostles was a very bad storm, Jesus slept. It's like he seems asleep in the deep darkness of life

- people's darkness of self-esteem,
- long-term illness,
- an addiction,
- migration,

Things that causes big storms in our lives.

But in the friendship and love of **G**od we find we can survive and even grow through them, especially the troubles we have little control over. Even when **J**esus was asleep the apostles felt his protective presence.

**T**hey found calm only when they were in the middle of the storm. We will find **J**esus in the middle also of our storms, when we try not to hide our troubles from him. This was how **J**ob got a bit better in the first reading - his friends were trying to help him avoid his troubles, like take a few drinks, enter a transitory relationship - all the things we do to avoid our troubles. In the middle of the tempest, **G**od spoke to them.

**W**e sit with him in prayer and let him know how we are, and just allow his calm come over us. We find courage and hope at the Mass and other sacraments, like the great peace of a young man when he received the anointing of the sick, who had left church practice for years, Or the help we can get from the community of people in parish and in the church at bad times. It gives us the courage and strength to deal with what are storms in our lives.

*Remember a bad time when God seemed to help you. Be grateful.*

*Prayer: Protect us from all anxiety as we wait
